

Ultimate Grace

ROCHESTER NEW YORK

Boutique Elder Care Services

NAPLES FLORIDA

I founded Ultimate Grace to provide our elderly with compassionate, personalized and most importantly, the grace-filled care they deserve. Care that addresses medical needs while preserving an independent lifestyle.

Our approach goes far beyond bedside manner. We approach each individual where they are, creating a customized plan based on specific needs and interests.

It's our job to conform to your expectations, not the other way around. We pride ourselves on saying "YES."

We're excited to be working with Solstice residents. Stop by and say hello!
