

ComForCare Home Care on-site at Solstice Senior Living for our resident needs

ComForCare Home Care offers personal care services to help residents stay independent, while promoting aging in place for all residents of Solstice Senior Living. We are located in Room 201 on the second floor near the beauty salon.

Through our Quality Care Program, ComForCare provides services to help you easily manage activities of daily living and instrumental activities of daily living. Visits by our staff can be for as little as 10 minutes, or as long as 24 hours per day, seven days a week. Home health aides are available to help you with:

- Running errands outside of Solstice
- Cleaning and straightening your apartment
- Laundry, which includes washing, drying, folding and returning it to your apartment
- Transporting you to and from doctor appointments
- Medication management and Mediset refills
- Medication reminders
- Bathing and personal care assistance
- Assistance with toileting
- Providing assistance with getting in and out of bed
- Assistance after a surgery
- Assistance with special needs during quarantining
- Daily temperature measurements while in quarantine

We are taking extra precautions during COVID per U.S. Department of Health and Human Services requirements. All caregivers upon arrival at Solstice are answering a questionnaire and logging their temperatures before reporting to work. Facemasks, face shields and gloves (PPE) are available for all caregivers at Solstice to use.

We accept private pay, long-term care insurance and Medicaid's Managed Long-Term Care (MLTC) program for payment.

Why ComForCare? Caregivers are thoroughly vetted through a 10-step hiring process; background checks and fingerprinting are done for each caregiver through the U.S. Department of Health and Human Services' website. Our employees are W-2 employees; all employment taxes and required insurance premiums are paid. Services are available seven days per week, 365 days per year, as is overnight care if arranged in advance. We are an experienced agency located on Monroe Avenue across the street from Pittsford Plaza. Registered nurses provide case opening assessments and create care plans for aides to follow. Caregivers are under the supervision and oversight of our nurses.
